

Your Food & Wine Route 2026

What's where, and how to walk it —
plan your loop here, then follow the ranked, mapped crawl in the app.

① WORLD SHOWCASE

The Main Event • 17 stops

The big lagoon loop — this is where you'll spend most of the festival.
Do it as **one continuous loop**: pick a direction and don't backtrack.
Country booths sit at their pavilions; festival stands fill the gaps.

2 WORLD CELEBRATION

The Hub • 6 stops

Clustered near Spaceship Earth and the Odyssey —
easy to sweep on your way in or out.
Brew-Wing Lab alone has 16 items,
so budget time there.

Festival Favorites • Forest & Field

Milled & Mulled • The Wedge

3 WORLD DISCOVERY

The Future Side • 4 stops

Over by Test Track and
Guardians: Cosmic Rewind —
pair these with your ride
reservations on that side of the park.

- Coastal Eats
- Flavors from Fire
- Gyozas of the Galaxy
- The Fry Basket

4 WORLD NATURE

The Green Corner • 1 stop

Just one — Earth Eats —
near The Land and Imagination.
Great with the Land or ride
Living with the Land or Soarin'.

ROUTE STRATEGY: Where to start: if you enter through the main gate, begin with World Celebration's hub, then drop into the World Showcase loop.
If you come through the International Gateway, start the loop right there and work around. Sweep World Discovery and World Nature around your ride reservations on those sides. The app's Food & Wine crawl lays out a curated route through the festival in walking order, mapped and ranked.
