4 HOW TO CRAWL IT

Start light — mimosas and wine flights — and build from there.

Flights beat single pours when you want variety; a full cocktail runs \$12–16.

Share plates and pours; F&W adds up fast.

Hydrate between stops — and every crawl has a full zero-proof route in the app.

The app maps the whole Sip & Stroll crawl in order — ranked, mapped, and with a non-alcoholic version of every route.
