1 YOUR NIGHT, HOUR BY HOUR

4:00 PM — DOORS OPEN EARLY (confirmed). Party guests enter Magic Kingdom at 4 PM — three hours before the party officially starts. Use them.

7:00 PM — PARTY BEGINS (confirmed). Trick-or-treat stations open. Rare character greetings start. Entertainment kicks off.

8:15 PM — MICKEY'S BOO-TO-YOU HALLOWEEN PARADE, first run (confirmed). The Headless Horseman gallops through to kick it off.

~9:05 PM — HOCUS POCUS VILLAIN SPELLTACULAR (typically). Sanderson Sisters at Cinderella Castle Stage. Confirm tonight's times in app.

10:00 PM — DISNEY'S NOT-SO-SPOOKY SPECTACULAR (confirmed). Fireworks, lasers & castle projections, hosted by Jack Skellington. Once per night — don't miss it.

~11:15 PM — BOO-TO-YOU PARADE, second run (typically). Usually the emptier one — this is your insider window.

12:00 AM — PARTY ENDS (confirmed).

THE ONE INSIDER MOVE

Catch the **SECOND** parade, not the first.

Boo-To-You runs twice a night — while the crowd packs Main Street for the early show, ride lines and trick-or-treat stations are at their emptiest. Flip the herd: ride during the first parade, watch the second.

Note: Hocus Pocus typically runs multiple times (around 9:05 PM, 10:35 PM, and midnight; select October nights add ~7:35 PM). Confirm all times in the app.

2 WHAT TO DO WHEN
