Very Merry: Night-Of Game Plan

Your plan to make every minute of the party count.

The party runs 7 PM to midnight, but your ticket gets you in at 4 PM.
Here's how to use all eight hours.

4:00 PM

Get in early. Grab the party map at the entrance, then ride the headliners while day guests are still in the park.

6:00 PM

The emptiest hour. Day guests leave and the party hasn't started. It's the best ride window of the night.

7:00 PM

Party starts. Plan your route through the cookie stations on the map instead of doubling back for them.

First parade

Once Upon a Christmastime. Watch from Frontierland or Liberty Square, not Main Street, or ride while everyone else watches.

Fireworks

Minnie's Wonderful Christmastime Fireworks. Skip the hub. Fantasyland, Liberty Square and Tomorrowland all work.

Second parade

Far thinner crowds. The best viewing of the night. Don't leave before Santa.

Until midnight

Last laps. Club Tinsel, the Jingle Jam, snow on Main Street, and one more ride.

BEFORE YOU GO

Comfortable shoes, a layer for the cool night, and the app open for live showtimes.
Times are on the party map.
